Full-Time
Tottenham
Hotspur Coach

Spurs Football Development Coaching and Player Pathways

A full-time football and academic pathway available from September 2026, combining high-quality coaching, academic study and dedicated university preparation.

Football with purpose

Our partnership with Tottenham Hotspur develops technically proficient, tactically intelligent, physically robust and mentally resilient footballers who are serious about sport and their future.

Players will also benefit from

- UK qualifications such as A-levels
- boarding school structure
- pastoral care and support
- AND high-quality football coaching

Who is this programme for?

- Students aged 15+ who wish to continue football at a high level
- Players who understand that education underpins opportunity
- Families seeking a credible, structured route into US higher education
- Young people motivated by long-term outcomes
